Managed Air Systems LLC  
105 J&K West Dudley Town Rd.  
Bloomfield, Ct 06002

Dear Paul,

I would like to take this opportunity thank you and Managed Air on the outstanding workmanship you performed at our collision repair facility. From the initial design stages, to the final installation of our equipment Managed Air has proven to me that you're the only source for all our equipment and service. Your staff's ability to completely asses our equipment needs, floor space, layout and vehicle flow has increased our production dramatically. The communication between Managed Air and Acme was vital in this success which allowed us to stay operational while you streamlined your on time equipment installation.

As a past MABA Chapter president and state board of director, I would not hesitate recommending your company to my friends and business associates. We look forward to working with Managed Air systems in the future.

Sincerely,

Donald J. Muccino Jr.  
President
