

FINISH IN THE GREEN WITH

SPRAY BOOTH ASSURANCE

Provided by Managed Air Systems

YOU HAVE PRIDE IN YOUR BUSINESS, AND THE CARS THAT LEAVE YOUR SHOP SHOW IT.

You and your staff work hard every day straightening, pulling, filling, sanding, painting, buffing and washing every single hood, fender, door, trunk, bumper, roof, rocker panel and quarter panel that comes in the door, but if your spray booth isn't clean and your equipment isn't maintained then you're only making your job harder which ultimately ***Costs. You. Money.***

That is why *MANAGED AIR SYSTEMS* has introduced the

SPRAY BOOTH ASSURANCE PROGRAM

WITH THE SPRAY BOOTH ASSURANCE PROGRAM YOU'LL GET...

- ❖ **3 FREE Service Dispatches** – *Don't pay another trip or travel charge!*
- ❖ **FREE Periodic Maintenance** – *Minimize your down time and save money on gas and electricity with properly calibrated equipment!*
- ❖ **Parts Deductible** – *You won't be blindsided by a huge parts bill ever again. You get to decide what you want to pay for your parts!*
- ❖ **Convenient Annual, Semi-Annual, Quarterly or Monthly billing options** allow you to take control of your budget. – *Why get hit with a huge service or maintenance bill that ruins your month? You get to decide which payment plan works best for you and your business!*
- ❖ **All Filters for Your Spray Booth** - *Delivered to your shop door right when you need them!*
- ❖ **Discounts on Parts and Labor** – *Never pay "list price" for anything...EVER...and you get to decide your discount!*
- ❖ **Next Day Response** – *Never wait for a technician again. As a member of the Spray Booth Assurance Program you automatically take priority!*

Let's be honest, at the end of the day who really wants to worry about whether their filters need changing or whether their spray booth burner is running efficiently? Your painters want to paint and you want to be working *on* your business, not working in it. Give Managed Air Systems a call and let ***US*** worry about ***YOUR*** spray booth.
