

CASALE'S AUTO BODY, INC.

2741 Hartford Ave. (Rt. 6)
Johnston, RI 02919

To whom it May Concern:

I am writing this letter of recommendation in support of Managed Air Systems. With a ten-year-old booth and countless paint jobs, the results remain excellent. I have known the talented team of Managed Air Systems for quite some time now. The superb service and dedication to their work never goes unnoticed. Managed Air Systems always delivers service in a timely fashion.

To give some history on the relationship between Managed Air Systems and Casale's Auto Body, our booth was originally sold to us and started up by New England Booth, and the wrong burner was installed. Needless to say we were completely disappointed to learn of the mistake. When Managed Air Systems took over our account, they voluntarily took care of the issue by installing a new burner at no cost to us.

Since developing the relationship with Managed Air Systems, they have delivered no less than superior service to us. I would happily recommend the equipment and service of Managed Air Systems.

Sincerely,

Tom Casale
President, Casale's Auto Body
